Tiffany,

This is the updated spreadsheet Kerry's Installs. Is this what you are looking for?

I apologize if I sent this to you last week. I'm still digging out from two days off.

Have a great week!

Wonderful! Based on this info I have approved invoices for payment for the following schools: Andrew H. Wilson, Audubon School, Crocker Elementary, Wheatley Elementary, and Joseph A. Craig.

Also I've attached a report of the approved and submitted payments OPSB has made to Ecowater.

Tiffany,

Attached are the December Install updates. Let me know if you have any questions.

Have a great weekend!

Subject: Ecowater Meeting Follow Up and Notes

Thanks everyone for meeting today. I'm excited to move forward with you guys on this contract and appreciate today's reset. Below are the notes and next steps discussed. We are free for a follow up call in two weeks on 2/11 anytime between 2:00-4:00 PM CST.

Notes:

- Ecowater and OPSB to set up a share drive for sharing information
 - OPSB install link: https://drive.google.com/open?id=1ZMOBNjov_88T6gyaxN2qPijvjGUtpZOFOTSONu9TDH4

<u>Water Filter Install Schedule</u>	
drive.google.com	
All School Schedule Facility Name,Charter Operator,Grade,Current Bldg Type,Area,Facility Address,Booster Pump Yes/NO,Planned Install Date,School Communicaiton ,Acutal Install Date,# of Filters Installed,# of Filters NOT connected,Install Records Provided,Notes North Kenilworth School (Moton),Adv...	

- Get an update on Dec installs and records at Audubon School, Andrew Wilson, and Crocker Elementary
- Schedule remaining two installs at Alice Harter Elementary and Habans Elementary: KSK to propose a week of install (at least two weeks in advance)
- Need a plan for documenting the key transfer to schools and perform with schools that have already had systems installed
- Ecowater to provide a turnkey solution and quote for booster pumps install including electrical component
 - Previously provided Ecowater quote for booster pumps attached
- Need a plan of resources from KSK on staff/labor available to have two separate install teams (Booster pump install only vs Future filter system installs and TBD booster pumps)
 - For planning need to know a realistic number of schools that can have installs per week.
- Need to create a standard for when a booster pump is installed (arch of drinking water, no less than 3 inches)

- Ecowater to send list of invoices sent and invoices paid
- Establish an every two weeks conferee call and a quarterly in person meeting
- Ecowater to provide a written procedure for how to change/replace filters and order new. Need info on proprietary systems.
